Dear Joseph,

It is with great pleasure to notify you that we have decided to approve a donation in the amount of \$500.00 ((5) \$100 gift cards) in Giant Food Gift Cards to help support the Atheists Helping the Homeless DC's "To Help People Experiencing Homelessness by Providing Nonperishable Food and Hygiene Items". The gift cards will be sent out this week.

We applaud the work done by your organization and extend our best wishes for much continued success.

Sincerely,

Giant Food
